This year marks an incredible milestone—the **10th ANNIVERSARY of the Winston-Salem Police Foundation (WSPF)**! Since its founding in 2015, WSPF has been dedicated to supporting WSPD leadership’s key initiatives, ensuring vital programs and resources that would otherwise go unfunded receive the support they need.

Over the past decade, WSPF has raised and invested nearly **\$1 million** back into the **Winston-Salem Police Department (WSPD)** and the larger Winston-Salem community. Through our **Youth Engagement programs**, we’ve assisted more than **1,000 families**, creating brighter futures through education, athletics, and the arts.

In just the past two years alone—2023 and 2024—**over \$500,000** has been invested in strengthening our initiatives, focusing on:

- **Building trust between police and the community** through outreach
- **Creating hope for children** through youth engagement
- **Supporting WSPD recruitment and retention** efforts
- **Enhancing safety and wellness** for our officers
- **Leveraging technology** to reduce crime

Our **2024 progress speaks for itself**:

- Net positive growth in WSPD staffing, with **24 new officers** added
- A **10% decline** in total crime across Winston-Salem

As we look ahead to **2025**, our priorities remain clear: **morale, staffing, and crime reduction**. With a goal to **raise \$300,000**, we are committed to further investing in the four key pillars that support WSPD and strengthen our community.

This anniversary is more than just a celebration—it’s a testament to the incredible work made possible by the **dedication of our partners, supporters, and community leaders**. Thank you for being a part of this journey, and here’s to continuing our mission **for years to come!**

The **Winston-Salem Police Foundation** is proud to announce their fifth annual event, **Operation Protect & Serve** to be held Wednesday, October 29, 2025 in downtown Winston-Salem. This festive and memorable event will celebrate the WSPD community while raising awareness of important community building work taking place with the WS Police Foundation's support.

Community support of **Operation Protect & Serve** is vital as the **Winston-Salem Police Foundation** continues to raise funds for key initiatives such as:

Building authentic relationships between WSPD officers and local youth through a Police Athletic League Outreach Program

Supporting our local students through key educational programs like the Millennial Scholars Program and Police Foundation Annual Scholarship Fund

Working in partnership with our WSPD officers to help launch the latest in crime prevention and gun violence reduction technology, such as the increased technology based tools to reduce crime
